

## Planning Board & Zoning Board meeting protocols

Masks are required to be worn at all times within the building

Members of the public will be socially distanced (board members will be on bench)

During each public hearing, we are limiting access to the applicant and the public addressing the matter due to seating for 12. If room is available after those have seats, more will be let in.

Everyone entering will need to sign in giving name, address and phone number for contact tracing.

Meetings will also be live streamed – see the home page for links.
